SUSHANT SINGH RAJPUT CASE: EX-FLATMATE PITHANI SENT TO NCB CUSTODY TILL JUNE 1

MUMBAI, (IANS) A Mumbai court on Friday sent Sushant Singh Rajput's former flatmate Siddharth Pithani, arrested in Hyderabad and brought here, to the custody of the Narcotics Control Bureau till June 1 in connection with a drug case linked with the death of the Bollywood actor last year. Among the prime suspects in the case, Pithani was absconding for long but was arrested by the NCB in a joint operation with its Hyderabad office on Wednesday, May 26. After getting a transit warrant from a Hyderabad court, Pithani was brought to Mumbai and produced before the Chief Metropolitan Magistrate at the Esplanade Court this afternoon, and it sent him to NCB remand for four days. Seeking his remand, the NCB lawyer said that it wanted to probe his role and nexus with others accused in illicit drug trafficking rackets and details of his links with contraband dealers to unearth the full truth and ensure justice is done. The other co-accused in the same case, Samuel Miranda and Dipesh Sawant, had spilled the beans on Pithani in their statements, claiming he was in direct with not only Rajput but also with actress Rhea Chakraborty and her brother Showik Chakraborty, who was also arrested in the case last year. Pithani's arrest came nearly 3 months after the NCB filed a charge sheet in the Sushant case before a Mumbai special court on March 5, naming 33 persons including the Chakraborty siblings and many others.

CHAMPIONS TROPHY BACK, MORE TEAMS TO CONTEST ODI, T20 WORLD CUPS

DUBAI, (IANS) The love-hate relationship between the Champions Trophy and the International Cricket Council (ICC) continues. On Tuesday, the tournament was back after being discontinued in 2017, even as the ICC included several teams in the men's 50-over and T20 World Cups. While announcing the tournaments in the 2024-2031 cycle, the ICC said that eight World Cups and Champions Trophy competitions will be staged in this period, besides four World Test Championship (WTC) finals, in 2025, 2027, 2029, and 2031. The 50-over World Cups will be expanded to 14 teams, with 54 matches in one tournament, from 2027 and the T20 World Cup to 20 teams and 55 matches from 2024. In the previous 50-over World Cup, held in 2019, 10 teams had competed in England. And in the previous T20 World Cup, held in 2016 in India, 16 teams had competed. The ICC, following a meeting of its Board on Tuesday, said that the

hosts for the men's events for the next cycle would be decided in September while the process for women's and under-19 events would commence in November. During the eight editions of the Champions Trophy, beginning in 1998, there has been a debate around its utility. Some people have argued against having it, saying that its format (50 overs) clashed with that of the World Cup, so it should be discarded. But, it now seems, the other view has prevailed, and it will be reintroduced in 2025 with eight teams competing. The ICC said that the 14-team 50-over World Cup would be played in 2027 and 2031 while the T20 World Cups will be held in 2024, 2026, 2028 and 2030. "The men's World Cup format will have two groups of seven, with the top three in each group progressing to a Super Six stage, followed by semi-finals and final. This is the same format that was used in the World Cup 2003," the ICC said. "The format of the men's T20 World

Cup will consist of four groups of five, with the top two from each group going through to a Super Eight stage, followed by the knockout stages of semi-finals and a final. The Champions Trophy will follow previous editions with two groups of four, semi-finals and final." "Having the ICC event schedule confirmed through to 2031 is a significant step forward for cricket and will form the basis of our growth strategy for the next decade," said ICC acting chief executive Geoff Allardice. "The revised approach to selecting hosts for our events will give us much more flexibility to grow the game and engage new fans." The ICC women's event schedule has already been confirmed with the expansion of both the (ODI) World Cup and T20 World Cup forming part of the ICC's long-term commitment to growing the women's game. The 2024-31 cycle of ICC men's global events: 2024: T20 World Cup (20 teams, 55

- matches)
- 2025: Champions Trophy (8 teams, 15 matches)
- 2025: WTC final (2 teams, 1 match)
- 2026: T20 World Cup (20 teams, 55 matches)
- 2027: 50-over World Cup (14 teams, 54 matches)
- 2027: WTC final (2 teams, 1 match)
- 2028: T20 World Cup (20 teams, 55 matches)
- 2029: Champions Trophy (8 teams, 15 matches)
- 2029: WTC final (2 teams, 1 match)
- 2030: T20 World Cup (20 teams, 55 matches)
- 2031: 50-over World Cup (14 teams, 54 matches)
- 2031: WTC final (2 teams, 1 match)

Master Blaster Sachin Tendulkar still has two regrets as he reflects on his cricketing career

Legendary Indian batsman Sachin Tendulkar is considered one of the best players ever to have played the game. The only batsman to score 100 international tons and scoring the most number of runs in Test cricket and ODIs yet in a career spanning over 24 years, Tendulkar has many cricketing records to his name. However, the 'Master Blaster' still has a couple of regrets despite achieving so much in the game as looked back at his career. Tendulkar recently said that even though he is quite satisfied with what he has achieved there are still things he wished he could have achieved. Speaking to Cricket.com Tendulkar said, "I have two regrets. The first is that I have never played with Sunil Gavaskar. Mr Gavaskar was my batting hero when I grew up and not playing with him as part of a team remains a regret. Mr Gavaskar retired a couple of years before I made my debut. And his other regret was not playing against his childhood hero Sir Vivian Richards. Even though both of them played in a county game for opposite teams, he still rues the fact that he couldn't play against him in international cricket.

Team India all-rounder Ravindra Jadeja gave a sneak peek into the jersey the side will be donning for the inaugural World Test Championship (WTC) final against New Zealand starting June 18 at Southampton. Team India's new kit sponsor MPL Sports has redesigned the 90s kits in shorter formats, and now has given the whites too, the 90s flavour. Sharing on his all social media platforms, Ravindra Jadeja posted a selfie in the sweater of the jersey for the WTC final saying, "Rewind to 90's #lovingit #india." The sweater has the 90s stripes around the collar and neck and since it's an ICC tournament match, INDIA is written on the front with the 'ICC WTC Final 2021' written on one of the shoulders, while other sports the BCCI logo. While Team India still remains in quarantine in Mumbai before they leave for the UK on June 2, their opponents New Zealand have started their practice ahead of the final and the two-match Test series against the hosts England, which will serve as ideal preparation for the Kiwis.

CHELSEA OUTWIT MANCHESTER CITY TO WIN CHAMPIONS LEAGUE

PORTO, (IANS) Kai Havertz's goal earned Chelsea a second Champions League crown nine years after their first with a deserved 1-0 final victory over domestic rivals Manchester City in Porto. On Saturday, thousands of Chelsea fans were in the crowd of 14,110 to see their team lift the trophy in the Dragao Stadium as the final had been moved from Istanbul, with Portugal operating under less severe coronavirus restrictions. Havertz sparked the celebrations with his 42nd minute goal, created by a super pass from Mason Mount, which split the defence and allowed the 21-year-old German to escape keeper Ederson and tap home, reports dpa news agency. City won the domestic championship by a distance but lost to Chelsea both in the league and FA Cup as Blues manager Thomas Tuchel completed a whirlwind story of success since taking over from Frank Lampard in January. Defeat in their first Champions League final means City remain without the biggest prize in European football despite billions of dollars being spent over the years by their Abu

Dhabi owners. Chelsea are kings again and Tuchel has glory at the second attempt, having lost in the final with Paris Saint-Germain last season. Like in 2012, the Stamford Bridge club won having changed managers mid-season. "To share it with everybody is incredible," Tuchel told BT Sport. "I don't know what to feel. "The (players) were determined to win this. We wanted to be a stone in their shoe. We encouraged everybody to step up and step out, to be more brave and create dangerous counter-attacks." Pep Guardiola was coaching in the Champions League final for the first time since his second triumph with Barcelona in 2011 but paid the price for a City line-up which was incredibly attacking.

Midfield anchors Fernandinho and Rodri were dropped as Ilkay Gundogan took the deepest role in the centre of the pitch while Kevin De Bruyne and Bernardo Silva supported Riyad Mahrez, Raheem Sterling and Phil Foden. "I did the best with my selection. I tried to pick the best selection to win the game," said Guardiola. "We struggled to break the lines in the first half. The second half was much better. Against the defensive structure of Chelsea it wasn't easy. We struggled a little bit with the long balls and second balls. In that moment you need inspiration." City were exposed when Mount's long pass through the centre found Havertz cutting in to collect and finish his maiden Champions League goal.

JOFRA ARCHER SAYS HE WON'T PLAY ANY CRICKET IF HE DOESN'T GET ELBOW INJURY SORTED

England pacer Jofra Archer, who underwent an elbow operation last Friday doesn't want to rush himself in getting back to cricket and has prepared himself to miss the five-match Test series against India starting August this year in Nottingham. Archer, who has been struggling with his elbow after the glass row, wants this to over and get done with as according to him he will rather miss a few weeks of cricket rather than risking the whole career by getting back to the game soon. Archer has been managing his elbow problem since the South Africa tour in 2020 when he was diagnosed with a stress fracture. While he played through the India series with pain, he pulled out of the IPL and recently played for Sussex in a four-day game. While ECB has said that they will review his situation after four weeks as he will undergo an intense rehabilitation period. Writing in his Daily Mail column, Archer said, "The way I am looking at things is that I would rather miss a few weeks of a year so that I have a few more years in my career." Archer said that his primary focus is now on playing the T20 World Cup and the Ashes for England for which he is ready to miss the India series if still doesn't feel match fit for the five-match series. "One thing I am determined about post-elbow operation is not to rush my comeback, because my primary focus is to be playing for England in the Twenty20 World Cup and Ashes later this year.
