Aryan drug case: Byju's temporarily halts ads featuring SRK

NEW DELHI, (IANS) IPO-bound edtech major Byju's has temporarily halted advertisements featuring its brand ambassador and Bollywood superstar Shah Rukh Khan, as his son Aryan Khan undergoes a drug bust probe by the Narcotics Control Bureau (NCB). Reliable Sources told IANS on Saturday that Byju's has stopped all ads featuring Shah Rukh Khan, apparently after social media users criticised the edtech company for endorsing ads featuring the actor, who has been the Byju's brand ambassador since 2017. When reached, a spokesperson for Byju's declined to comment on the matter. Byju's is on an acquisition spree this year. Overall, it has acquired nine businesses this year. The edtech giant is also exploring an initial public offering (IPO) which could value the company at around \$40 billion-\$45 billion. Shah Rukh Khan has over 42 million followers on Twitter and 26.5 million followers on Facebook-owned Instagram. The criticism came in the wake of arrests after a high-drama rave party raid on Cordelia Cruise ship during the Mumbai-Goa voyage by the NCB on October 2. In a major setback for Shah Rukh's son Aryan, a Mumbai court on Friday rejected his bail plea, and of two others who were among the 8 arrested. Additional Chief Metropolitan Magistrate R.M. Nerlikar rejected the bail applications of Aryan, Arbaaz Merchant, and Munmun Dhamecha, on grounds of "maintainability", upholding the contentions of the legal team of the Narcotics Control Bureau (NCB). The developments came a day after all the eight accused were sent to judicial custody, and they shifted to the regular prisons from the NCB lockup.

'NOT CAPTAIN BUT LEADER': PACER HARSHAL PATEL GIVES HIS VERDICT ON VIRAT KOHLI CAPTAINCY IN IPL 2021

Virat Kohli might not captain Royal Challengers Bangalore (RCB) in the Indian Premier League (IPL) but pacer Harshal Patel said Kohli is "definitely a leader" irrespective of whether he is leading the side or not. Kohli's captaincy era in the IPL came to an end on Monday as RCB suffered a four-wicket loss against Kolkata Knight Riders (KKR) in the Eliminator. Pacer Harshal Patel lavished praise on Kohli and thanked him for his contributions to RCB over the years. "Virat gives bowlers their space, lets you execute your plans. Grateful to him. "Just because he won't have the tag of captaincy anymore, it doesn't make him any less of a leader. NEW DELHI, (IANS) National heartthrob and actor Vicky Kaushal has been a part of the acting business for nine years now. SHILPA SHETTY ON HOW HER EXPERIENCE OF DANCE, ACTING HELPED HER AS A JUDGE ON 'SUPER DANCER 4'

MUMBAI, (IANS) As the dance reality show 'Super Dancer 4' is coming to its finale 'Nachpan ka Maha Mahotsav', Shilpa Shetty Kundra shares in detail about nurturing the talents and how her experience as an actor and a dancer blend into the decisions she made as a judge on 'Super Dancer 4'. Nurturing talent on such a public platform can be nerve wracking and what is the ultimate mantra to be a super dancer? Says Shilpa Shetty: "It is a challenging task to be a judge of a kids' talent show for many reasons. But mainly because a child is a mould that needs care and attention to get in shape, and it is a big responsibility on our shoulders. There is no mantra to be a Super Dancer but to have an honest approach towards the craft. As long as you are passionate about the art form and a keen learner and not just in it for the sake of a competition." She further adds how her experience as an actor and a dancer blend into the decisions she made as a judge: "Dance and acting have a lot in common. In fact, the history of many dance forms roots back to Natya Shastra. With both the performing arts, you try to tell a story, empathize with the audience, and move them. Coming from a background where I have had a chance to work with both the medium helps me evaluate a performance holistically and not just technically. Because a dance performance need not be technically perfect, it sure needs to communicate with you. These dance reality shows help to bring out the talent from different parts of the country. And she comments: "We are a country with a brewing young talent spread across the states. This younger lot is simply waiting for someone to tap into his or her reservoir of talent and skill. A show like this helps in giving a person a platform, a chance to grow, and it also nurtures his gift."

'Action Hero', directed by Anirudh Iyer is a T-Series and a Colour Yellow Production and is produced by Aanand L Rai. The film is also produced by Bhushan Kumar and Krishan Kumar.

An ICC official confirmed to The Times of India, saying: "Teams can change their teams seven days prior to the start of their support period. India's support period starts with the Super 12 which begins on October 23. So, they have time to change the team till Oct 15 midnight." Some former players have raised concerns over the snub to some top players like Shikhar Dhawan and Yuzvendra Chahal. Especially after their performance during the UAE leg of IPL 2021. The Indian squad has named Deepak Chahar and Shardul Thakur as reserves. Meanwhile, doubts remain over the services of all-rounder Hardik Pandya as he hasn't bowled during the second phase of IPL 2021. A BCCI official had told IANS that there will be no change in the squad unless someone is injured. It is believed that the physios are keeping a close watch on Varun Chakravarthy and Pandya fitness. India squad: Virat Kohli (c), Rohit Sharma (VC), KL Rahul, Suryakumar Yadav, Rishabh Pant, Hardik Pandya, R Ashwin, Bhuvneshwar Kumar, Rahul Chahar, Varun, Mohammed Shami, Axar Patel, Jasprit Bumrah, Ravindra Jadeja, Ishan Kishan. Standby players: Shreyas Iyer, Shardul Thakur, Deepak Chahar.

VIRAT KOHLI TO LEAVE RCB? EX-SKIPPER MAKES BIG REVELATION

Not just his teammates, but even fans wanted to see Virat Kohli lifting the trophy for Royal Challengers Bangalore (RCB). However, the dream will only be one big dream after RCB lost to Kolkata Knight Riders (KKR) in the Eliminator by four wickets in Sharjah. Kohli had before the start of the UAE leg announced that he will step down from the RCB captaincy at the end of the ongoing season. The captain, in his tenure as an RCB captain, could not win a trophy for his side, but now the question was will he continue to stay with RCB? When asked about how he sees his tenure as captain, Kohli had said, "I have tried my best to create a culture here where youngsters could come in and play with freedom and belief. It is something I have done with India as well."

PAKISTAN PM IMRAN KHAN CLAIMS 'INDIA CONTROLS WORLD CRICKET'

In a shocking claim, Pakistan Primer Minister and former cricket captain Imran Khan has claimed that world cricket is under India's control. The remarks from Pakistan PM came days after England and New Zealand cricket teams decided to cancel their tour to Pakistan citing security issues. In an interview to Middle East Eye, Pakistan PM Imran Khan said that no country would decide against touring India because India controls world cricket now. "Money is a big player now. For the players, as well as for the cricket boards. The money lies in India, so basically, India controls world cricket now. I mean, they do, whatever they say goes. No one would dare do that to India because they know that the sums involved, India can sort of produce much more money," Imran was quoted as saying. "England let itself down. I think that there is still this feeling in England that they do a great favour to play with countries like Pakistan. One of the reasons is that, obviously, the money," he added. Earlier on Thursday (October 7), Pakistan Cricket Board (PCB) chairman Ramiz Raja had said that India and the Board of Control for Cricket in India (BCCI) control the world cricket. Ramiz Raja claimed that if Indian Prime Minister Narendra Modi decided that the International Cricket Council (ICC) should stop funding Pakistan cricket then PCB will 'collapse'.

DISAPPOINTING END BUT WE CAN HOLD OUR HEADS HIGH: VIRAT KOHLI THANKS RCB FANS FOR SUPPORT

Virat Kohli's tenure as captain of Royal Challengers Bangalore ended without an Indian Premier League title on Monday. Kohli, who has decided to step down as India T20 captain after the upcoming World Cup and RCB skipper post the ongoing IPL, thanked fans for the constant support. "Not the result we wanted but I am so proud of the character shown by the boys throughout the tournament. A disappointing end but we can hold our heads high. Thank you to all the fans, management & the support staff for your constant support," wrote Kohli on Twitter, tagging the RCB official account. After Kolkata Knight Riders defeated RCB in the Eliminator, Harshal Patel said that Kohli continues to remain a leader. "In terms of his captaincy, there are captains and there are leaders, he is definitely a leader. Just because he won't have the captaincy tag, it doesn't make him any less of a leader," Harshal said. "So, I just want to thank him for whatever he has contributed for this team and to my growth." He also said that the team would "celebrate" the contributions of Kohli as a skipper. "Yeah, I think, absolutely we are going to celebrate his contributions and it would have been nicer to celebrate that with the trophy in our hand, but it was not meant to be. But his contributions, like I said, have been immense and we are definitely going to celebrate that."

WHY DC ERRED IN NOT GIVING RABADA THE LAST OVER, AND WHY THEY WERE RIGHT IN BENCHING STOINIS

From not picking the fit-again Marcus Stoinis in the match eleven to entrusting Tom Curran with the last-over duties, and not fully utilising the skills and smarts of Kagiso Rabada and Ravichandran Ashwin, Delhi Capitals, some argue, made a slew of tactical errors in the playoff surrender to Chennai Super Kings. Some of their decisions reeked of naiveté, like not exhausting Rabada's full quota, but some others, like not using up Ashwin, were not as straightforward. Stoinis, conversely, had been utterly ordinary this season to barge his way into the playing eleven. The South Africa-born England cricketer was easily the most successful DC bowler (three wickets) on the night. It was his two-wicket burst that catalysed DC's comeback after the 110-run partnership between Robin Uthappa and Ruturaj Gaikwad. Until the last over, he was their most economical bowler too, conceding less than six runs an over, his repertoire of cutters and slower balls proving difficult to crunch for boundaries. So, Rishabh Pant was rational in thrusting him with the last over, with 13 runs to defend. Rabada's pace was a risk, Ashwin has had a bad day (19 runs in 2 overs), whereas Curran's canny change of pace, they thought, could be a handful on the wicket. Two things were to work against him. First, his lack of experience bowling at the death. He is often used as a middle-over stuffer than as a death-over destroyer. Besides, he was playing the first game of IPL's UAE leg, and understandably, he cracked under the pressure. The tension came in the form of length balls, as opposed to his preferred fuller-length balls. Secondly, he is exactly the kind of bowler MS Dhoni relishes. Experienced as the CSK skipper is, he second-guessed Curran's intentions, lined up for the slower balls and picked his spots. Dhoni knew Curran is not someone who could hurry him, and even the reduction of pace is not drastic, not as much variance in pace as Rabada, who was expected to bowl the ball last over. But captains, often, trust their instincts on a particular day, and on Sunday, Curran was their best bowler until the last over.

KOLKATA BEAT BANGALORE BY FOUR WICKETS, MOVE INTO QUALIFIER 2

SHARJAH, (IANS) Kolkata Knight Riders edged past Royal Challengers Bangalore by four wickets in a tight Eliminator match of IPL 2021 at the Sharjah Cricket Stadium here on Monday. Kolkata chased down the target of 139 with two balls to spare. They will now face Delhi Capitals in Qualifier 2 for a place in the final against Chennai Super Kings. Shubman Gill started off with a flick through square leg of Mohammed Siraj. In the next over, Venkatesh Iyer joined the party, pulling George Garton over backward square leg. Gill then tore into Garton in the third over with a hat-trick of boundaries. Harshal Patel, introduced in the final over of power-play, made the first strike for Bangalore as Gill was foxed by an off-cutter and holed to mid-on moving to his right. Post power-play, Kolkata lost another wicket as Rahul Tripathi was struck plumb on the front pad by a Yuzvendra Chahal googly. Nitish Rana broke the shackles with reverse hits going for a six and four each off Glenn Maxwell in the tenth over, which also saw a running Shahbaz Ahmed spilling a catch of Iyer. But in the next over, Patel took

out Iyer, gloving behind to keeper KS Bharat. Sunil Narine's promotion to five paid off as he slammed three sixes off Daniel Christian over fine leg, square leg and long-off in the 12th over to simplify the equation. Chahal had his second wicket of the match in the 15th over as Nitish Rana mistimed slog-sweep to long-on. Narine had luck on his side as Devdutt Padikkal dropped the catch off Harshal Patel in the 17th over. In the next over, Narine swiped across the line but saw his off-stump disturbed by Siraj. One brought two for Siraj as Dinesh Karthik nicked behind to Bharat. With seven needed off the final over, Shakib Al Hasan walked across for a scoop over short fine leg off Christian before finishing off the chase with a quick single. Brief scores: Royal Challengers Bangalore 138/7 in 20 overs (Virat Kohli 39, Devdutt Padikkal 21, Sunil Narine 4/21, Lockie Ferguson 2/30) lost to Kolkata Knight Riders (Shubman Gill 29, Sunil Narine 26, Yuzvendra Chahal 2/16, Harshal Patel 2/19, Mohammed Siraj 2/19) by four wickets.

DHONI GIFTS AUTOGRAPHED BALL TO EMOTIONAL KID

DUBAI, (IANS) Mahendra Singh Dhoni played a vintage knock to help Chennai Super Kings beat DC in Qualifier 1 of IPL 2021 here. His match-winning shot moved a young Chennai fan to tears of joy at the Dubai International Stadium on Sunday. The camera captured the young CSK fan unable to stop her tears watching Dhoni finish off things in style. After the match, the legendary cricketer signed the match ball and gifted it to make the memorable evening even more special for the teary-eyed CSK fan. Dhoni played a cameo of 18 not out off 6 balls to see CSK through to their ninth IPL final in a thrilling win. Needing 24 off 11 balls and later 13 off 6, in Qualifier 1 against DC, Dhoni muscled a six off Avesh Khan and hit three fours off Tom Curran in the final over. The England pacer surprisingly, opted to bowl slower balls to Dhoni, and the veteran batsman, who was not in the best of touches in the tournament, had saved his best for a knock in the all-important tie. CSK has reached the finals.

Men's T20 World Cup winner to receive cash prize of 1.6 million dollars

DUBAI, (IANS) The winner of the men's T20 World Cup 2021 will take home a prize money of 1.6 million dollars while the runners-up will get half of the winning amount, said the International Cricket Council (ICC) on Sunday. The ICC also said that the two losing semifinalists will receive 400,000 dollars each from the matches taking place on November 10 and 11. All the 16 competing teams in the tournament will receive part of the 5.6 million dollars allocated as prize money for the tournament, which will be played in the United Arab Emirates and Oman from October 17 to November 14. Just like the 2016 edition of the tournament, there will be a bonus amount for every match that a team wins in the Super 12 stage. The winning team in each of the 30 games in that phase will this time win 40,000 dollars, a total pot of 1,200,000 dollars. The teams confirmed to be competing in the Super 12 stage are Afghanistan, Australia, England, India, New Zealand, Pakistan, South Africa, and the West Indies. The eight teams whose men's T20 World Cup campaigns end at Super 12 stage will automatically receive 70,000 dollars each, totalling to 560,000 dollars. The same structure is in place for the first-round victories -- with 40,000 dollars available to those who win each of the 12 games, amounting to 480,000 dollars. The four teams knocked out in the first round will take 40,000 dollars

each from an overall 160,000 dollars. Teams whose campaigns begin in the first round are Bangladesh, Ireland, Namibia, Netherlands, Oman, Papua New Guinea, Scotland, and Sri Lanka. The ICC also said that there will be two scheduled drinks intervals in every match of the men's T20 World Cup. The scheduled breaks will last for 2 minutes and 30 seconds and will be taken at the midpoint of each innings. The Decision Review System (DRS) will also be used in a men's T20 World Cup for the first time ever. Each team will get a maximum of two reviews per innings in the match.

England name full-strength squad for 2021-22 Ashes, Buttler included

LONDON, (IANS) The England and Wales Cricket Board (ECB) on Sunday named the strongest available squad for the 2021-22 Ashes with wicketkeeper and vice-captain Jos Buttler joining captain Joe Root in committing to the tour of Australia, starting in November. Of the 17-member squad, ten will be touring Australia in an Ashes series for the first time. As anticipated, Ben Stokes was not considered for selection as he continues to take an indefinite break from cricket to manage his well-being. The all-rounder's absence is no surprise but leaves a huge hole in Joe Root's team as they attempt to reclaim the Ashes and win in Australia for the first time in eleven years. Stuart Broad, who tore a calf after the first Test against India in August, has also been included subject to proving his fitness in a pre-departure training camp at Loughborough. It will be Broad's fourth Ashes tour. Meanwhile, all-rounder, Sam Curran was not considered for selection after a second scan confirmed that he has a stress fracture in his lower back. England's fast-bowling attack is set to lack the variety due to injuries to Jofra Archer and Ollie Stone. Mark Wood is the only genuine pace bowler and Ollie Robinson, Craig Overton Broad, James Anderson, and Chris Woakes have also been included in the squad. The top three who finished the series against India - Rory Burns, Haseeb Hameed, and Dawid Malan - have all been included while Jonny Bairstow will provide wicket-keeping back-up to Buttler. "As confirmed on Friday, the Ashes tour is subject to several critical conditions being met by Cricket Australia before the team travels in November. However, positive ongoing discussions continue, and it is hoped matters will be resolved in due course," the ECB said in a statement. Chris Silverwood, England's head coach and chief selector, said he was "delighted that all of our available players have committed to the tour". Notably, Buttler was understood to have been wavering due to the time he will spend away from home for the T20 World Cup and Ashes, as well as Australia's tough approach to Covid-19 protocols. "A tour of Australia is the pinnacle as an England Test cricketer. I am delighted that all of our available players have committed to the tour. We are looking forward to touring and enjoying the experience of this historic series," said Silverwood. "This is why we play and coach to be involved in iconic series like this. More than half of our squad haven't featured in an Ashes tour before, which means we will be fresh and looking to embrace the cricket and the excitement of touring one of the best places in the world."
